Zoom Account Pricing Details

Below are the details of the Pro Zoom Account. This is the same as my personal account.

The screenshot displays the Zoom account pricing interface. At the top left is the Zoom logo, and at the top right are links for 'Support' and 'English'. The main content area is divided into two columns. The left column features the 'Zoom One Pro' plan, which is selected. Below the plan name is a 'Plan details' link. A section titled 'Select the number of users' shows a minimum of 1 user and a numeric input field set to '1'. Below this is a 'Select a subscription cycle' section with two options: 'Monthly' at \$15.99/month/user and 'Annual' at \$13.33/month/user (billed annually), with a 'Save 16%' badge and a checkmark. The right column is an 'Order Summary' for USD, showing 1 item(s) of 'Zoom One Pro' for \$159.90. It also lists the total as \$159.90 and the total billed annually as \$159.90, with a next charge date of Feb 19, 2025. A disclaimer notes that local taxes may apply. At the bottom of the left column, there is a section 'Enhance Your Zoom Experience' featuring 'Zoom Scheduler' (NEW) for \$5.99/month, with an 'Add' button.
